Mr. George Bush Director, Central Intelligence Agency Washington, D.C. 20505

My Dear Mr. Bush:

On behalf of the 10,000 college students in Circle K International, I want to extend a cordial invitation to you to be principal speaker at the Sunday afternoon, August 15, session of the 21st annual convention of Circle K in Washington, D.C. The session will be held at the Mayflower Hotel, commencing at 2:00 P.M.

Circle K, North America's largest collegiate service organization, is sponsored by Kiwanis International. Its members, young men and women, are engaged in the same leadership and service activities on the campus as are their sponsors in the adult community.

Some 1,000 members of Circle K are scheduled to attend this convention, representing their peers on more than 750 college campuses across the United States and Canada. Their membership represents a cross section of today's campus community. We are concerned with the problems of the day; determined to help solve those problems, both now and in our future lives.

The theme of the convention will be "Impact on Life". The three and one-half days of the meeting will be directed toward implementing this theme through seminars, deliberations, the adoption of resolutions and amendments, and the election of officers for the coming year.

Unfortunately, as college people, our budget is quite small, and we are not prepared to pay an honorarium. However, please be assured that should you be able to accept our invitation, you would find your association with Circle K to be both rewarding and stimulating. For our part, we would consider your participation a major factor in making this convention one of the most memorable we have ever had.

Won't you let us hear from you by June 15, Mr. Bush?

Cordially yours,

GREGORY FAULKNER, President

Circle K International
